> Attached please find the City's petitions (5 in one file due to minor owner name variations, but all are City and not a specific department or proprietary) They total **22.98%**. I am not sure how you wish to execute given the max of 20%.

&gt;

> I have also attached the State of California's petitions. The State ceded all operational control of these parcels a LONG time ago, pursuant to the agreement I furnished Miranda last week. The state parcels total **2.01%**.

&gt;

> I haven't forgotten the minor edits to the MDP/ER. Just prioritizing the petition drive right now, and will make those edits when there's a lull. Thanks!

Hi Tara.

CD 11 is working to obtain a letter from the State in regards to its petition.

Thank you.
